

## VETERANS ENJOY THE NEW BOOKS

CITY LIBRARY HAS TEN VOLUMES CONTAINING PHOTOGRAPHIC VIEWS OF THE CIVIL WAR—PHOTOGRAPHS ARE REMARKABLE FOR THEIR CLEARNESS.

## TAKEN DURING THE BATTLES

Veterans of the Civil War and relatives and friends of the old soldiers will be greatly interested in a new set of books which have recently been received at the city library. The set is in ten volumes and entitled "The Photographic History of the Civil War." Each volume contains views of one particular phase of the war, as cavalry, forts, artillery and navies, so that it is an easy matter to find all the material on any one subject.

A large number of old veterans have already examined the books and say that the photographs are remarkable for their accuracy and clearness.

The views were made from an old set of prints known to the government as "Brady's Prints," which have just been found after being lost for fifty years. The pictures were taken by M. B. Brady, a native of Ireland, who saw the value of such a set of pictures to the nation. He spent more than \$100,000.00 in collecting the views and practically bankrupted himself. He was reimbursed later, however, by the government which paid him \$25,000.00 for the views. Since they were bought by the government, the views were undisturbed until recently the "Review of Reviews" in an attempt to publish a pictorial history of the Rebellion, discovered them. Several of the views in the history were taken by imitators of Brady, who copied his methods.

To secure such pictures required considerable traveling on the part of the photographer. The apparatus used was an old style camera, and a four-wheeled curtained wagon for the purpose of developing, as the negatives had to be developed within five minutes after they were exposed or the print was ruined. A light two-wheeled wagon was also used to reach those places where the heavier vehicle could not go. The photographer was often in dangerous positions while the battle was going on as the photographs will show.

The plates were all treated with the half-tone process, and for clearness and accuracy of detail are as good as the work done by many modern photographers.

## CITY LIBRARY HAS LOT OF NEW BOOKS ON SHELVES.

President Woodrow Wilson's "History of the American People" is among the most widely read of the books recently received at the city library. The work is in five volumes and is written in the clear, concise style of the college professor.

Fifty-three other works of fiction, and non-fiction have also been recently catalogued. In the list are novels by Connor, O'Henry, John Fox, Jr., and Parker, which make delightful summer reading. The complete list is as follows:

## DEATH FOLLOWS OPERATION.

End Comes to Mrs. Jasper Miller on Friday Morning.

The death of Mrs. Jasper Miller, age 60 years, wife of Ex-County Treasurer Jasper Miller, occurred Sunday morning at 3 o'clock in the Methodist Hospital in Indianapolis, following an operation last Friday for gall stones. Mrs. Miller had been in ill health for several months and she was taken to Indianapolis in hopes that the operation would restore her health.

She withstood the shock of the operation well and was believed to be getting along all right until Thursday when her condition became worse. Her three children and husband were called to Indianapolis Thursday morning and were with her when the end came. The body was brought to Greencastle this morning at 11:45 and taken to the home in Monroe township.

Beside her husband, she leaves to mourn her loss three children, Miss Mary Miller, employed in the county auditor's office here; Ray R. Miller, who lives at home, and Mrs. Viola Denny, who lives on a farm adjoining the home farm. The news of Mrs. Miller's death comes as a great shock to her many Putnam county friends.

## LIGHTNING STRIKES A HOUSE IN MANHATTAN

Tuesday at about noon lightning struck the home of Mr. and Mrs. Dave Pollum, in Manhattan, tearing down a chimney and slightly shocking both Mr. and Mrs. Pollum. Luckily the house did not take fire. Neither Mr. or Mrs. Pollum were badly shocked and suffered no ill effects from their experience.

All mail which has been delivered over the rural routes from the local postoffice during the month of June has been weighed according to the classes as first, second and third. At the end of the month official report will be made. The object of the weighing is to find out how much work is being done by the rural route carriers.

## STORM COMES TO BREAK DROUGHT

HEAVY DOWNPOUR, ACCOMPANIED BY ELECTRICAL DISPLAY, WIND AND HAIL, SWOOPS DOWN ON GREENCASTLE AT 5 O'CLOCK SATURDAY AFTERNOON.

## WIND DOES MUCH DAMAGE

A heavy downpour of rain, accompanied by a electrical storm, wind and hail, swooped down on Greencastle shortly after 5 o'clock Saturday afternoon, breaking the drought and relieving the town from the intense heat of the past week. But with the relief came damage of many dollars by wind and lightning.

The clouds gathered quickly and just before the storm broke it became very dark. The terrific wind, in the wake of the storm, tore down trees, blew down chimneys and broke out windows. The heavens were illuminated by vivid bolts of lightning, which struck in many places in the county, while the claps of thunder were like the crack of a huge cannon.

All over the town trees were blown down, limbs twisted off and roofs damaged by the wind. Soon after the storm broke the electric lights went out of commission leaving the town in darkness.

But the rain fell in sheets—at first large sized hail accompanied it—but the rain fell. And that was what everybody wanted. The torrents of water did much good but the storm did not last long. Shortly after 6 o'clock the sky was clear again.

Early Sunday morning the rain began to fall again, this time not so hard, but the kind that soaks in. The rain continued to fall for several hours. Sunday was cloudy and the water soaked in the ground, doing the vegetation much good and thoroughly breaking the drought. Another good rain fell Sunday night.

## BELLE UNION SUFFERS IN SATURDAY STORM.

The rain, wind and electrical storm Saturday afternoon seemed to rent its fury on Belle Union and the county surrounding that town, as more damage was done there than in any other locality. A list of the damage, as reported from that town, is as follows:

The barn owned by A. A. Hill, in Belle Union, was struck by lightning and together with its contents burned the ground. A mare valued at \$150 was burned to death and many tons of hay destroyed. Most of the farming implements, a new wagon and two horses were gotten out. Mr. Hill had a small insurance on the barn and contents.

The barn on the George McCamrack place, owned by O. O. Dobbs, was blown down.

A barn on the Aly Neier farm, just north of Belle Union, which was filled with new hay, was blown down.

Part of the roof was blown off the Rollie Nelson home in Belle Union.

The brick house on the Marion Hurst farm, occupied by Elmer Hurst, was ruined by the wind. Two walls, the north and west were blown in. Most of the furniture in the house was ruined by brick, mortar and water.

A barn on the "Uncle" Jesse Hurst farm was blown down and a valuable jack buried in the debris. Luckily the animal was gotten out and found to be only slightly injured. A fine orchard on the farm was laid in ruin by the wind.

The brick house on the Oscar Buis farm was unroofed and the walls blown in.

A small barn belonging to Flossie McCamrack was blown down.

Frank Hurst's barn was blown off its foundation.

The beautiful grove in front of the A. A. Dobbs residence was ruined by wind. Many trees and large limbs were blown down.

Clarence McCamrack's barn was

unroofed.

Mrs. McAninch's barn blown down and other out buildings destroyed. Will Masten's house blown off its foundation.

The summer kitchen of the Martin Broadstreet residence demolished.

Reports that the buildings on Elmer Wallace's farm were badly damaged.

Much fencing blown down and virtually all telephone lines put out of commission.

Three hay stacks on the John W. McCamrack farm were blown down and the hay scattered all over the farm.

Many trees in Broadpark were blown down.

Reports are that buildings on the D. V. Parker and Ot Woods farms near Broadpark were destroyed.

## FREAKS OF STORM AT BELLE UNION

The storm which hit Belle Union and vicinity Saturday afternoon, was accompanied by some freakish damage. A pump and twenty feet of piping were blown out of a well on the Bertha McAninch farm. At the Preston Buis farm nine fence posts were blown out of the ground.

## Welch-Wright.

The marriage of Miss Jessie Wright and William Welch occurred at the home of the bride's mother, Mrs. Emma Wright Sunday at noon. After the ceremony dinner was served to about fifty guests. After a wedding trip to Westville, Ill., they will return to Fern, where the groom is engineer for the American Glass & Sand company.

## Eighteen Make State Licenses.

Of the thirty-three who took the examination for a state teachers license in May, under County Superintendent L. G. Wright, eighteen passed and will be granted a state license. Of the thirty-seven who took the examination for a county license, seventeen passed and twenty failed.

The June teachers' examination will be held Saturday, June 28, in the high school building beginning at 7:30 o'clock.

The list of those who received a state teachers' license at the last examination are:

Ruth Bridges.  
H. Nathan Swain.  
Catherine Curran.  
Kathryn Allen.  
Annie Stone.  
Mary Funican.  
Lydia Williams.  
W. R. Allee.  
Walter Buckingham.  
Ruby Jones.  
Eugene Allee.  
Bethena Vandament.  
Fred Blase.  
Lola Warfel.  
Anna Thomas.  
Edith Sears.  
Frances Hartley.  
F. L. Moore.

## Card of Thanks.

We sincerely thank all of our faithful friends and neighbors, Mr. Hanna, Mr. Crow, Rev. Alhartz and the church choir for their kind assistance, loving thoughtfulness, and beautiful floral offerings in the recent loss of our dear wife and mother.

Jasper N. Miller and Children.

For the first time in years, it was necessary on Tuesday for the county sheriff to personally serve a summons on a member of the Board of Commissioners to get him to attend a meeting. For years when a special meeting was to be held the sheriff simply called up the commissioners on the phone and notified them of the meeting. Today, however, the telephone line was out of commission, and Deputy Sheriff Howard Harris had to drive to Washington township to notify Commissioner Ed Houck of the meeting.

## DEATH CLAIMS A COUNTY OFFICIAL

END COMES TO JOHN W. WOOD, AGE 63, WHO HAD BEEN ILL SINCE EARLY LAST FALL—HAD JUST LEFT HIS OFFICE, WHEN STRICKEN.

## THE FUNERAL WAS MONDAY

Soon after leaving his office in the court house, from which he had been kept by illness for the past six months, John W. Wood, age 63, Recorder of Putnam county, was stricken with a hemorrhage of the lungs, Saturday afternoon, which resulted in his death. Surrounded by many friends from the city and county, "Uncle" John as he was more familiarly known, died on the sidewalk at the west entrance of the court house, at shortly after 4 o'clock. His son, Charley, who had been summoned from the court house, was with him when the end came.

Mr. Wood had been kept away from active work at his office since before Christmas. A severe attack of rheumatism, together with lung trouble, kept him confined to his home on College Avenue. Occasionally he would get down town to see his many friends and visit his office for a short time. Saturday afternoon he had been in his office and had started for his home. The exertion caused by his walking down the steps in the court house, was too severe, however, and as he started down the steps at the west entrance of the court house, he was taken with a severe coughing spell, which resulted in the fatal hemorrhage.

Marshal Lemuel Johns, together with several others who noticed his condition, went to him and laid him on the sidewalk. Physicians were summoned but before any could reach him, the end had come. The body was placed on a cot and the ambulance was called to take it to the home on south College Avenue.

Beside his widow, Mr. Wood leaves one son, Charley, his deputy in office, and two daughters, Mrs. Ed Dalby and Mrs. George Garrett, both of this town.

The funeral services were Monday morning at 11 o'clock in the Little Walnut Church. Services were conducted by Elder Cornelius L. Alhartz. Interment was in the Little Walnut cemetery.

Putnam county had never had an official who was more beloved than "Uncle" John Wood. He was most accommodating and always pleasant and happy. His acquaintance extended to every corner of the county and his sudden death comes as a great shock to his many friends.

## S. A. HAZELETT GETS \$100 IN DAMAGE CASE VERDICT.

Judge James P. Hughes today made his special finding of facts in the case of S. A. Hazeltt against the T. H. I. & Eastern Traction Co., in which Mr. Hazeltt asked \$150 damages for a cow which was killed by a traction car several months ago. Judge Hughes gives Mr. Hazeltt damages of \$100 in his verdict. T. T. Moore, representing the traction company, will appeal the case to the supreme court.

## NICHOLSON DECLINES PLACE; SO ALSO DOES J. D. PHELAN.

WASHINGTON, June 23.—Diplomatic appointments went a-begging today, when Meredith Nicholson, a novelist of Indiana, declined the post of minister to Portugal and within a space the White House received the declination of James D. Phelan, former mayor of San Francisco, to accept the position of ambassador to Austria-Hungary.

Mr. Nicholson, whose nomination was said to have been sent to the Senate without his knowledge, said his domestic plans, already made, precluded a sojourn abroad. Mr. Phelan based his declination in his decision to run in the primaries next year for United States senator.

## RUSSELL SCOBEE IS INJURED BY AUTOMOBILE

Russell Scobee, age 20, who lives near Brick Chapel, was badly injured, his buggy wrecked and his horse badly injured at about 5 o'clock Saturday afternoon, when the rig was struck by the large automobile driven by Pearl Shonkwiler of Morton. The accident occurred at Brick Chapel.

Scobee, who is the son of Mr. and Mrs. Robert Scobee, who live about a mile and a half east of Brick Chapel, was driving west on the road which crosses the Crawfordsville road at Brick Chapel. Shonkwiler, who had been to Greencastle, was driving north. His father and mother were in the car with him.

Just where the roads cross there is quite a grade in the road, and Shonkwiler was running his machine at a rapid speed so that he could make the hill on high gear. The Reising store, faces on the Crawfordsville road, and slides on the cross road, obstructing the view of both driver of the horse and machine. The fast approaching storm, with its roaring wind and gathering darkness also was of great disadvantage to both drivers.

The auto struck the buggy squarely on the front wheel. The horse was torn loose from the rig and hauled to one side of the road. When the machine hit the rig, the buggy went straight up into the air, throwing young Scobee out. He fell at the side of the road, while the buggy came down, lighting on the hood of the machine where it was carried until the machine was stopped and it was taken off.

The buggy is a complete wreck. The horse is severely injured, too, having to be assisted to its feet before it could get up.

Scobee was rendered unconscious by the accident and was carried to a house nearby. A physician was called and found that the lad suffered concussion of the brain, a sprained ankle and badly cut and bruised arms and shoulders. He received a bad blow on the back of the head. After regaining consciousness and having his injuries dressed he was taken to his home. He now is said to be getting along very well. The accident occurred so quickly and without warning that young Scobee did not know what hit him until told.

Shonkwiler stated that he did not see the rig at all and as he was driving at a rapid speed had no chance to stop his machine in time to avoid the accident. The machine was not badly damaged.

## CHARLEY WOOD IS CHOSEN RECORDER

At a meeting of the Board of County Commissioners, held at 10 o'clock Tuesday morning, Charley Wood, son of the late County Recorder John Wood, whose sudden death occurred Saturday, was appointed to serve as Recorder of Putnam county during the unexpired term.

Public sentiment was strongly in favor of the appointment of Mr. Wood, who had been serving his father as deputy, for a year and a half. Mr. Wood has virtually conducted the business of the office as his father's health had been so bad that he could not attend to business. Mr. Wood has been a most competent and accommodating officer.

Mr. Wood's term would not have expired until January, 1915, but under the law a new Recorder now must be elected to take office Jan. 1, 1914. The appointment of Mr. Wood is with the agreement that his mother is to receive a goodly portion of the salary the office pays. Mrs. Wood will receive \$600 a year, while her son will receive approximately \$1,000.

## Little Chance of Hinshaw Pardon.

INDIANAPOLIS, Ind., June 23.—The chances of a pardon for William E. Hinshaw, famous wife murderer of Hendricks county were said to be very slim when the State Pardon Board opened a four days' session today. Gov. Ralston, although he refused to discuss the Hinshaw case, is reported to be opposed to freeing the former minister even if the board recommends such a step. The Pardon board itself is reported to be divided two to one in favor of releasing the famous murderer. The case will be heard Thursday.

## GREENCASTLE IS THE TWENTIETH

The city of Gary still leads the cities of Indiana in the rate of per capita wealth of its inhabitants. A table of the per capita wealth in each of 118 Indiana cities and towns has been compiled by Ed Stenger, clerk of the state board of tax commissioners, and George Pence, a field examiner of the state board of accounts. Gary leads. The distribution of the total taxables of Gary, on a per capita basis to its population, would show each citizen of Gary holding \$1418.49 in coin of the realm or property. Whiting, in the same county, Lake, is next, with a per capita list of taxables of \$1,154.59.

### Indianapolis Ranks Fourth.

Hobart, Ind., in the same county, slips into third place this year, although it was not among the first ten cities of the state last year. Its total wealth for each inhabitant was \$932.50. Then comes Indianapolis, ranking fourth, with a list of taxables on the duplicates that represents \$808.07 for each inhabitant of the city. Danville, Brookville, Columbus, Richmond, Sullivan, Lebanon, Franklin and Ligonier follow, in the order named. The population estimates were taken from the 1912 reports of the state board of health in nearly all instances.

Alexandria is the poorest of the cities in the list, the per capita taxables being listed at \$227.49. The leadership of Gary in the reckoning is due, of course, to the steel industry there. Millions of dollars of outlay are represented in the city from that source, while there is a comparatively small population. The total taxables of the city are listed at \$20,058,390, while the total population is 17,802.

Greencastle is twentieth in the list. The table shows that Greencastle has 3,802 population. The total taxables amount to \$2,243,139. This makes the per capita wealth \$589.98.

## A MOTORCYCLE AND AUTOMOBILE COLLIDE

Ewing McLean, driving his small automobile, and Evan Strain, riding his motorcycle, met in a collision at the corner of Indiana and Walnut streets Thursday night at about 9 o'clock. The only damage done in the collision was a slight damage to the front wheel of the motorcycle.

McLean was driving south on Indiana street, when Strain, coming west on Walnut street turned north on Indiana. Both drivers managed to slow down their machines but could not avoid the collision. One of the front springs on the automobile struck the front wheel of the motorcycle throwing Strain from the machine. He was not injured, however. The motorcycle was only slightly damaged.

## McLain-Hoffner Wedding.

On Wednesday evening at the Christian church parsonage, Lawrence McLain, of Lebanon, and Olive Hoffner, daughter of Mr. and Mrs. John Hoffner, were united in marriage. The marriage was a surprise to their many friends as it was not supposed to take place until a week later.

Miss Hoffner has not lived in Greencastle long but during her stay here she has been popular and a favorite among her many friends. Mr. Hoffner is the chief dispatcher for the T. H. I. & I. railroad.

Mr. McLain is a conductor on the railroad. He is considered a young man of sterling qualities, and at his home, Lebanon, Ind., ranks among the best citizens.

Immediately after the ceremony they went to Lebanon, where a furnished home was prepared and waiting for them. Miss Leona Kelley and Miss Pearl Newgent were the guests of honor and were present to witness the wedding. A ring ceremony was performed, L. A. Beard officiating.

## HORSE CASE IS FINISHED IN CIRCUIT COURT TODAY

The horse case which began trial in the Putnam Circuit Court Thursday morning, in which Dickerson & Grubb of Roachdale asked \$250 damages of D. V. Etcheson of Bainbridge, for the alleged sale of a diseased horse to them, was completed just before noon Friday when arguments closed.

Evidence showed the horse to be diseased, and Etcheson did not deny that it was. He simply charges that he sold it in good faith, believing that it was sound.

The only question to be decided was whether Etcheson had guaranteed the horse to be all right. He and his two sons, who were present when the deal was made swear that he did not guarantee the horse, while each Dickerson and Grubb swore that he said the horse was sound.

Judge Hughes ruled in favor of Mr. Etcheson, the preponderance of evidence being on his side. Dickerson & Grubb must pay the costs in the case.

## Russellville Band to Reorganize.

There is a possibility of Russellville having a band in the near future. A few years ago there was a well-organized band consisting of young men in and around Russellville, but for various reasons it was abandoned. There has been about twelve or fifteen already expressed a desire and willingness to take part and help to reorganize.

If the young people meet with the proper encouragement and a suitable place in which to practice can be secured it will not be long until Russellville will have a band that the citizens will, no doubt, be proud of, and as the purpose in view is to give concerts on Saturday nights, we can keep pace with our neighboring towns.—Russellville Searchlight.

## KILLS DOG SUFFERING OF THE HYDROPHOBIA

Dr. T. A. Sigler was called to the home of Mike Howard on north Jackson street on Thursday to look at a dog, owned by Mr. Howard, which had been sick for several days. When the veterinarian reached the Howard home and saw the dog he discovered that it was suffering a well developed case of hydrophobia. The animal immediately was killed. The dog is believed to have been bitten by another dog about three days ago. It has been kept up since it was first taken ill, however, and did not bite any other animals.

## Earliest Wheat Harvest in Years.

Farmers of Putnam county are now in the midst of the earliest wheat harvest in years. Generally July 4 is the time for the cutting of the wheat. This year, however, the grain ripened very early and on June 18, William Williamson of Washington township cut his grain.

This is the earliest harvest of wheat, according to several farmers, ever known in Putnam county. Those who have cut their wheat say the yield will be fair and that the quality will be good. Today many farmers were in town getting binder twine and several bought binders. Next week will be a busy one and much wheat in the county will be harvested. Within a few weeks the threshing machines will be busy threshing the grain. Until then it will be hard to tell just what the yield and quality will be.

## THE MYSTERY OF A CLASS PIN OR WHO HIT THAT FENCE.

Three young men and a young woman, all from Crawfordville in an automobile that seemed to be trying to beat Speedway records, had a serious accident a few yards south of E. N. Goshorn's home a mile north of town Wednesday evening at dusk.

The driver seemed to lose control of the machine which made a sudden turn, dumped the four passengers and jumped astride the fence. The machine had been headed south for the Roachdale band concert but when it lit on the fence it was headed due north with the two right-hand wheels on the east side of the fence and the other two on the west side. The wind shield was shattered and the machine was otherwise crippled, but the party cut the fence wires, got the auto free and finding it would still run, they got in and started back to the county seat.

The passengers were bruised and scratched and severely jolted but they were still able to ride. Their names were not learned, and they requested that nothing be said about the accident. A class pin was found at the scene of the accident yesterday morning bearing the inscription: "Paul Jones '13, Wabash College."—Ladoga Leader.

## A CHAUTAUQUA AT LADOGA.

Business Men of That Place Sign Contract to Back the Entertainment.

Business men of Ladoga have signed a contract to be the financial backers of the "Lincoln Chautauqua" at that place, beginning September 8. The same chautauqua will be given at Greencastle by those who are on the program at Ladoga. The chautauqua will continue for a period of six days.—Ladoga Ledger.

Mr. and Mrs. C. M. Sharp, of Indianapolis, were the guests of Mr. and Mrs. Paul Hill over Sunday.

## Hunter Damage Cases Settled.

A compromise was effected in the damage suit of Mrs. Mary E. Hunter of Fillmore vs. T. H. I. & E., Saturday, after considerable evidence had been submitted to a jury. It is understood that the amount given Mrs. Hunter was \$2500. Another suit, that of J. W. Hunter against the traction company, was included in the compromise. The suits resulted from a fatal accident which occurred near Greencastle in September, 1911. Hunter and his family, consisting of his wife and two children, took passage on a traction car. They were carried past their destination and started to walk back to the place. It was necessary for them to cross a creek to get back and they started across the traction bridge. While on the bridge a limited car ran them down. One of the children was killed and Mrs. Hunter was badly injured. Mr. Hunter brought suit against the company for the death of his son and the case was venue here. A jury awarded the plaintiff \$5,000, and the company appealed to the supreme court.—Danville Gazette.

## OUT OF THE ORDINARY.

Lightning struck a pitchfork in the hands of George Dowdy, a farmer at Savannah, Tenn., who stood on top of a load of hay burned the gloves off his hands, tore the crown off his hat and his left shoe from his foot, but did not injure him in the least.

John Slocum, a farmer living at Salem, was compelled to shoot a valuable Holstein cow because of swelling near the hoofs, which infuriated the animal to such an extent that it destroyed fences, outhouses and gardens. The cow was bitten by a rattlesnake.

Mrs. Elmira White, of Proteus, Mo., who has lived to be 112 years old, has just celebrated her birthday. "Corn bread is the secret of a long life," says Mrs. White. "I have eaten corn bread for many years, and now, old as I am, I am able to take a walk of three miles every day."

James H. Wheat, a Texas blacksmith tugged and strained in trying to get a shoe on his foot a few mornings ago. When he shook the shoe to see whether there was anything in it a garter snake, crushed but still very much alive, fell out. Wheat killed the snake with the assistance of his wife.

Rounding out her fifty years of service in the treasury department at Washington, Miss Emma R. Graves, 84 years old, is the sunshine of the place. For this half century Miss Graves has been steadily counting the nation's wealth. Billions of dollars have passed under her nimble fingers and she has the record of never making a mistake.

Louis Morris, champion fried egg eater of Berkshire, Mass., lost his first wager in not being able to eat twenty-five fried eggs in a contest at a lunch car. After eating seventeen eggs Morris was attacked by acute indigestion and a physician worked over him for an hour before he was restored to consciousness. Morris' record is thirty fried eggs and his green corn record is fifty-four ears.

Arthur Will, of Belleville, Ill., was thrown from his bicycle when a five and one-half foot blacksnake, which he ran over, became entangled in the rear wheel. He was speeding along a narrow path when he felt something lash him on the back. The next instant the bicycle stopped. After Will had picked himself up he found the big snake tangled in the spokes, hissing and trying to strike him. He killed the reptile with a club.

Paul Nickels, a Benton Harbor, Michigan farmer, is a human aquarium. For several days he has been coughing up small-sized brook trout from two to five inches in length. For weeks Nickels has been suffering from severe stomach complaint, which baffled physicians and threatened his life. Recently he was seized with a violent coughing spell and coughed up a four-inch fish. Several other coughing spells have followed, and each time the farmer emitted fish. Attending physicians explain the phenomenon by declaring Nickels swallowed tiny minnows which lived and grew in his stomach. He is now recovering.

## Death of Missouri Pittman.

The death of Missouri Pittman, Pittman, age 36, widow of Daniel Pittman, who died a few months ago, occurred at her home on Sycamore street Friday night at midnight of tuberculosis following a long illness. The funeral will be tomorrow afternoon at the Colored Baptist Church in south Greencastle. Burial will be in Forest Hill cemetery. Mrs. Pittman leaves two daughters, age 7 and 11 years to mourn her loss. Jackson Boyd has been appointed guardian of the children and Clarence Vestal administrator of the estate.

## BARBERS WILL RAISE THE PRICE OF SHAVES

On a week from last Monday the habitués of Greencastle's barber shops will see staring at them when they enter their customary shop for their morning shave, the following sign:

### SHAVES 15c.

Heretofore the price of shaves in Greencastle has been 10 cents, with an additional charge of 5 cents for shaving the neck. But after Monday, June 30, the price will be 15 cents, which includes the price of a neck-shave if you want it. All the shops in the town will adopt the new price. Other tonsorial artist prices will not be changed but will remain as they now are.

## He Put Them to Flight.

Two bewhiskered traveling preachers of the Russellism or some other kindred faith, came to Greencastle from Brazil on a morning car, and immediately started preaching on the corner of the Central National Bank. They had not preached long before they made several declarations which they defied anyone to debate. Joseph Miller, of Lena, a preacher of the Church of Christ, immediately stepped forward and took issue with the strangers. Miller hardly had started in his arraignment of the hat and his left shoe from his foot, the visitors signified that they had enough by grabbing their suitcase and megephone and hiked for the inurban station. Miller certainly "put them to flight" for they did not even stop long enough to take up a collection, as is customary in such cases.

## OH MERCY—THIS SIMPLY IS AWFUL!

The fact that Luther McCarty, the champion prize-fighter, who was knocked out of the ring in Canada and killed a few weeks ago, had no effect on the prize-fighting game in Cloverdale.

Last Monday afternoon, two local-bred boys and a crowd of spectators lead by Joseph Preston went to the Martin Grove east of town to form an arena and prepare for a ten-round fight between the two boys, Herschel Hurst and Uly Munday.

The bleachers of the old baseball park were well filled with the cheering multitudes. After a little preparation for the scrap, the boys went to work. Round after round each man held his own and received no fatal blows.

After ten rounds, the fight was in favor of neither boy. Each said "nough" and the bout was ended with the championship title still undecided.—Cloverdale Graphic.

D. V. McCammack, who lives near Belle Union, had a valuable cow killed by lightning during the storm Thursday afternoon, and William Rakes, of the same township, lost a sheep.

## Auto Truck Hits a Motorcycle.

A sharp turn in the road with high weeds at the side of the road which obstructed the view of both drivers resulted in an accident near Catawba Wednesday afternoon, when the auto truck, driven by J. W. Croxton, of Cloverdale, struck and demolished a motorcycle ridden by Joy Moser, age 18, son of Dr. and Mrs. William Moser of Belle Union.

Both drivers saw the other too late, and while each managed to slow down his machine, the two went together with a crash. The lighter machine, the motorcycle, was demolished by the force of the impact, but luckily the rider of the machine was not badly injured. The truck wheel ran over one of his feet badly bruising it but other than this he was not badly injured. The boy and the wrecked motorcycle were loaded on truck and taken to Cloverdale by Mr. Croxton.

## BOY RIDING ON BICYCLE RUNS INTO BUGGY SATURDAY

While riding his bicycle on the square Saturday afternoon at 2 o'clock, Lewis Hirt, son of Mr. and Mrs. Simpson Hirt, ran into a buggy driven by F. A. Arnold and was thrown heavily to the pavement. Luckily the lad was not badly injured, a bad tumble and bad bruises being the result of his experience. The front wheel of his bike was demolished, however.

The accident occurred just in front of the Allen Bros. Store. The lad going west on Washington street turned north on Jackson. Just as he turned the automobile driven by Ward Roberts came north and passed the buggy driven by Mr. Arnold. The lad, instead of turning to the right to avoid the machine, turned to the left clearing machine but crashing into the front wheels of the buggy.

He was thrown under the wheels but as the driver of the horse stopped he was not run over. Mr. Arnold took him into his buggy and drove him to his home.

## DOPE LAW BLANKS HERE.

People Purchasing the Drugs Must Sign Up and Give Address.

Blanks which are required to be filled out by druggists when certain drugs are sold, under the new "dope" law have been received by the Greencastle druggists. The blanks are in duplicate, one form to be forwarded to the state board of pharmacy and the other filed by the druggist. The law provides that this blank must be filled out whenever any sale is made of cocaine, opium, morphine, alpha or beta eucaine, heroin, camphor or the salts or derivation of any of them. In addition to the signature and address of the purchaser.

Mrs. Elijah Grantham and her grandson, Berkley Wason, have gone to Hartford City for a visit of several days with James Watson.

**"Studebaker wagons certainly last a long time"**

"I have had this wagon twenty-two years, and during that time it cost me only \$6.00 for repairs, and that was for setting two tires."

"And after twenty-two years of daily use in good and bad weather and over all kinds of roads, I will put this wagon against any new wagon of another make that you can buy today."

"Studebaker wagons are built of air-dried lumber and tested iron and steel. Even the paint and varnish are subjected to a laboratory test to insure wearing qualities."

"No wagon made is subjected to as many tests or is more carefully made than a Studebaker. You can buy them of Studebaker dealers everywhere."

"Don't listen to the dealer who wants to sell you a cheap wagon, represented to be 'just as good' as a Studebaker."

Farm wagons, trucks, dump wagons and carts, delivery wagons, buggies, surreys, depot wagons—and harness of all kinds of the same high standard as the Studebaker vehicles.

## "Pittsburgh Perfect" Fence

Look For THE WELD THAT HELD

Because the joints in "Pittsburgh Perfect" are welded by electricity, you can pick it out first pop. Examine a weld—the galvanizing piled thickly around the joint affords double protection here.

Heat a weld white hot, then try to separate the wires. You can't. This is the only permanent dependable joint.

"Pittsburgh Perfect" looks better, is strung in less time with less labor, and, AS MADE TO-DAY from our own special Open Hearth Wire, is stronger, lasts longer and gives more satisfaction than any other. Don't spend your fence money—invest it. Read our catalogue, investigate, then decide.

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

**Every Rod Guaranteed**

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

RECEPTION FOR  
THE DELEGATES

SOCIAL EVENT OF THE EPWORTH  
LEAGUE CONVENTION BEING  
HELD HERE PROVES A MOST  
ENJOYABLE EVENT—CHURCH  
ARTISTICALLY DECORATED.

## LIST OF THE DELEGATES

The reception given by the mem-  
bers of the local Epworth League  
Tuesday evening at the Locust  
Street Church in honor of the dele-  
gates and visitors who are here for  
the annual convention of the Bloom-  
ington District of the Indiana Con-  
ference was one of the most enjoy-  
able social affairs ever given at the  
church. Although the reception was  
on the program for one hour only,  
the young people made so many  
friends that the social hour was in  
reality a social hour and a half.

The church was artically decorated  
with red and white streamers, the col-  
ors of the league and green boughs.  
In the east room a pretty woodland  
bower was erected and from it the  
Misses Lela Gaither and Margaret  
Shouse dispensed punch. About one  
hundred and fifty persons, including  
a large number of Greencastle  
leaguers were in attendance.

The devotional meeting Tuesday  
evening, which was to have been an  
open air assembly on the college  
campus, had to be held in the church  
because of the inclement weather.

Miss Ora Phillips of Cory led the  
meeting, the topic being "The Price  
of Power." A large number of the  
delegates entered into the discussion  
bringing forth a number of new and  
original ideas.

The song service led by Frank Lee  
of Cory was folloed by an address by  
Dr. L. G. Bentley of Indianapolis, dis-  
trict superintendent. His subject  
was "The Investment of Life," and  
he brought out the importance of  
every person choosing some object in  
life which would be for the benefit of  
some one else.

The convention started this morn-  
ing with the morning watch meet-  
ing which was led by Rev. John  
Ragle of Spencer. The meeting was  
held at 6 o'clock.

The speakers at the regular morn-  
ing session were J. A. Hess of  
Bloomington, who spoke on "The  
Larger Life," showing how the life  
of the individual may be enriched  
and bettered by the Christian influ-  
ence; Miss Irene Howe of Bloom-  
ington, district secretary, who told  
of the work of her office and suggested  
plans for a more complete keeping of  
the records in the various leagues;  
Charley A. Avery, of Martinsville,  
district treasurer, who discussed the  
finances of the district; and Harley  
A. Davis of Gosport, who spoke on  
"A Wall of Fire." The main address  
of the morning was delivered by Dr.  
E. S. Shumaker of Indianapolis.

The afternoon was devoted to the  
election of officers and other busi-  
ness of the convention and addresses  
by Miss Angie Godwin, deaconess of  
the Indiana Conference and Honor-  
able Francis Calvin Tilden, Dr. Hill-  
ary A. Gobin, of Greencastle, and  
Rev. A. L. Miller, of Danville, will  
speak this evening.

Yet, we are gratified with the steady  
stream of customers--

Who are daily taking advantage of the  
out-of-the-way reductions on as good style and  
good quality Shoes as were ever shown in  
town or county--

This removal sale of ours is remarkable in the fact—that the Shoes are  
first class in every respect—and further—notwithstanding the fact  
that you are getting all the profit and on many Shoes part of the cost--

We are just as anxious to please you and are  
not satisfied with any sale unless you  
are satisfied--

This means we will gladly exchange any Shoe bought—or you can have  
your money back—should you prefer it. Could anything be fairer  
than this?

## Officers Are Elected

Charles A. Avery of Martinsville  
was elected president of the Bloom-  
ington District of the Indiana Con-  
ference of the Epworth League at the  
election of officers this afternoon.  
The other officers chosen were as  
follows: secretary, Florence Mc-  
Cartney, Bloomington; treasurer, C.  
O. McConnell, Harrodsburg; first  
vice president, Rev. Frank Lee,  
Cory; second vice president, Miss  
Gladys Alexander, Mitchell; third  
vice president, Harry Mason, Green-  
castle; fourth vice president, Miss  
Edith Carter, Bedford; president of  
junior league, Miss Angie Godwin,  
Greencastle.

The Eighth Street church of  
Bloomington was chosen as the place  
for holding the convention next  
year.

This evening A. L. Miller of  
Bloomington, the secretary of the  
Young Men's Christian Association  
of Indiana university, will speak  
on the student volunteer  
movement. The speaker will enter  
mission work next year in China and  
is well qualified to talk on this  
theme.

Miss Angie Godwin submitted the  
proposal that the leaguers of the  
Bloomington District pay the ex-  
penses of some needy girl for a  
course of two years at the Chicago  
Training School for Missions.

## GIVE YOUR FARM A NAME.

Law Provides That a Farmer May  
Take Out Copyright of Name.

County recorders are being sup-  
plied with records for use in connec-  
tion with the new law regarding the  
registry of farm names.

The law provides: "That any own-  
er of a farm in the state may have  
the name of his farm together with  
a description of his lands to which  
said name applies, recorded in a  
registry kept for that purpose in the  
office of the county recorder of the  
county in which said farm is locat-

ed, and such recorder, under the  
of his office, shall furnish to the  
land owner, a proper certificate  
setting forth said name and descrip-  
tion of said lands, that when any  
shall have been recorded as the  
name of any other farm in the  
county."

A fee of one dollar is charged  
money being paid by the county  
recorder to the county treasurer.  
The law also provides that in the  
transfer of such farm, the regis-  
tered name is included, but if only a  
part of the farm is transferred the  
name shall not be included in the  
action unless so stated in the de-  
ed.

Names may be canceled any time  
before the new law takes effect.  
Already there are a number of  
farms that have names, they be-  
named before this new law was  
into effect. However, they had  
protection against any other farm  
adopting the same name.

LIGHTNING STRIKES  
GEORGE WILSON HOME

Just at noon Tuesday lightning  
struck the George Wilson home on  
Mason street, setting fire to the  
building in the eaves on north  
corner of the house. The fire de-  
partment was called and the fire  
extinguished. The interior of the house  
badly damaged by water.

## PIMPLES ALMOST COVERED FACE

Blackheads Also. Suffered Greatly. Red and Irritated. Unsightly. Used Cuticura Soap and Ointment and Face Was Cleared.

Atchison, Kan. — "For a number of years I suffered very greatly from skin eruption. My face was very red and irritated, being almost covered with pimples and blackheads. The pimples were scattered over my face. They were a fine rash with the exception of a few large pimples on my forehead and chin. My face burned and looked red if exposed to either heat or cold. It was not only unsightly but very uncomfortable. I tried several remedies but couldn't get any relief. I was recommended to use Cuticura Soap and Cuticura Ointment. I applied the Cuticura Ointment in the evening, leaving it for about five minutes, then washing it off with Cuticura Soap and hot water. I washed several times during the day. After about four months of this application, my face was cleared of the pimples. I still use the Cuticura Soap. I will be glad to recommend the Cuticura Remedies to anyone suffering from skin diseases." (Signed) Miss Elsie Nielson, Dec. 29, 1911.

### TO REMOVE DANDRUFF

Prevent dry, thin and falling hair, allay itching and irritation, and promote the growth and beauty of the hair, frequent shampoos with Cuticura Soap, assisted by occasional dressings with Cuticura Ointment are usually effective when other methods fail. Sold by druggists and dealers throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

For tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.

## AUTO LICENSE IS INCREASED

NEW LAW GOES INTO EFFECT ON JULY FIRST WHEN HALF YEAR LICENSE WILL BE ISSUED—ALL MOTORCYCLES MUST PAY TWO DOLLAR FEE ANNUALLY—LICENSE ON AUTOMOBILES IS REGULATED BY THE HORSE-POWER OF THE CARS.

### FEE RUNS FROM \$5 TO \$8

Many people are inquiring about the methods and means whereby an auto owner is to get his new license for his auto, under the new law. It will be well for the new auto owners to write to the Secretary of State and describe their machines or write to the agents of the machines and they can get the information.

The lighter cars will come under the section of 25-horse power or less. These will include the Fords and Hups, some Studebakers and any car that is to be less than 25-horse power. These will cost \$5 per year. But the owner will not have to pay for a full year. Thus the Ford, or any other owner of a 25-horse power or less will have to pay but \$2.50 for the balance of the year up to January 1, 1914. This license after that will have to be paid in full for the year of 1914.

A car that is in horse power over 25 and less than 40 horse power will cost \$8 per year and \$4 for the half year from July 1, 1913, to January 1, 1914. Most of the cars in this section that do not fall in the \$5 class, such as above, will come in this \$8 class, for not many will run over 40 horse power. In this section come the Cadillac, Chalmers, some of the Studebakers, Auburns, Oaklands, Overlands and any car that is rated above the 25 horse power figure.

The law states that the Secretary of State shall assign a number to an applicant and shall without expense to him issue and deliver to the applicant a certificate of registration and two number plates at any place in Indiana from which the application may come. The delivery to the owner is to be sent by the Secretary of State prepaid and will thus reach the applicant without extra cost after his fee is sent in.

The same law covers motorcycles, except that a motorcycle requires but \$2 and but one number plate.

In applying to the Secretary of States one must give a description of his car and also the factory number, style of car, name of manufacturer, etc.

### Tree-Fruit Insects.

"The tree-fruit," says Professor Troop of the Entomological Department, Purdue University "are infested by a greater variety of insects than any other class of plants. More than 200 species are known to infest either the trees or fruit in some form. Some of them are only of minor importance, but the greater number often produce serious results if no remedies are applied. The Woolly aphid attack the roots; the borers and bark-beetles attack the trunks; the numerous species of scale and bark-lice attack the branches; the various forms of caterpillars and plant-lice devour the leaves, or suck the life out of them while the codling moth, apple maggot, and different species of curculio strive to outdo each other in destroying the fruit. In applying remedies for all of these, one thing must be borne in mind, that is, the remedy must always be suited to the habits of the insect. For example, the sucking species, like plant-lice, must be treated with a contact poison, such as kerosene emulsion. In order to prevent the borers and bark beetles from gaining entrance, a repellent, such as soap and carbolic acid, is used on the trunk, while the scales should be treated to the lime-sulphur wash. The caterpillars and most fruit insects may be held in check by a proper use of a stomach poison, such as Paris green or some other compound of arsenic."

Homer Branham reported this afternoon that this morning while his wife was away from home some one entered their house and stole a gold watch and a pocket book containing \$12.50 in cash. They reside at 807 south Locust street.

Roachdale suffered severely from the storm Saturday. Two barns, one belonging to John Handy, who lives a half mile west of town and one belonging to A. J. Cook, in town, were blown down and a barn on the Marion Branson farm, southeast of town, were struck by lightning and burned. The barn contained some hay and grain. The Handy barn, which blew down, was a good one, having been builded only two years. Many trees in and around the town were blown down.

# **Straus Red Book**

**1913 Edition Now Ready**

150 solid pages of valuable information about farming conditions, soils, crops, values, markets, etc., in the best and most dependable sections of America. Buying a farm is a mighty serious matter—the savings of a lifetime and a man's entire future are often at stake. Of course you cannot afford to take any chance of making a mistake. Therefore you must investigate thoroughly, consider carefully, and decide wisely the farm to buy.

## **275 Choice Farms**

in various sections of the country are described and priced in the

## **Straus Red Book**

with photographs of most of them. These farms are in the rich black level lands of Western Ohio, the greatest corn producing region in the world; in North-eastern Indiana, a section of mixed grain and stock farming; in the now famous corn country, comprising three counties just east of Detroit, Mich.; in south central Minnesota, a region that produces as much and as good corn per acre as the best county in Illinois or Indiana, and in the very heart of the Northwestern Wheat Country, besides a smaller selection of farms in Illinois and Eastern Michigan.

No. 3033—240 Acres, Paulding County, Ohio

A fine level farm of black soil with clay subsoil lying 1½ miles from railway town of 200 people. About 215 acres tilled and in cultivation and about 25 acres in timber. Has good 7-room house, fine barn 36x56, machine shed 24x36 and various other outbuildings; also a 4-room tenant house, with barn 24x32. On stone pike and in one of the best neighborhoods in this famous county. Price, \$135 an acre.

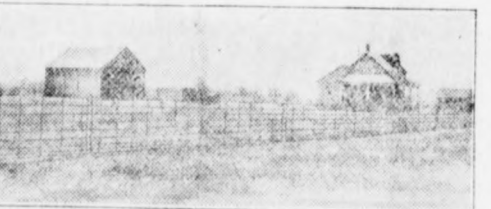

No. 3089—101 Acres, Madison County, Ohio

Situated 7 miles from West Jefferson, a town of 1,000 people, and same distance from Plain City, a town of 1,800; close to school and church. This is a level farm of rich dark soil with clay subsoil, very productive, well tilled and all in cultivation. Has a 6-room house, barn with shed at each end, double crib and wagon shed, wind pump and good orchard; all buildings in good condition. In a rich and highly improved community. Price, \$155 an acre.

No. 3181—80 Acres, Noble County, Indiana

One and one-half miles from Cromwell, a railway town of 800, and 6½ miles from Ligonier; on gravel road, with school on farm, surface nearly level, soil good dark loam with clay subsoil, 60 acres in cultivation and about 20 acres in timber, which is being removed. Has an elegant 6-room bungalow, barn 25x40 with wing 18x30 and with granary and crib attached, tool shed, good orchard and good fences. Only 1½ miles from Lake Wawasee, the largest lake and most popular summer resort in Indiana. Price, \$140 an acre.

No. 3330—102 Acres, Essex County, Ontario

Four miles from a railway town of 800 and ½ mile from inland village; about 20 miles east of Detroit. This is one of the rich Ontario corn farms that has set corn growers talking all over the states' corn belt. Splendid black soil with clay subsoil, the land that is in the 80-bushel class. Nicely improved, having 6-room residence, a smaller tenant house, two good barns, hog house, poultry house and other outbuildings. Will be a splendid farm for the man who wants to grow big corn and lots of it. Price, \$112 an acre.

## **That's Why the Straus Red Book Presents Opportunity to You**

If you own a high priced farm will you sell it if you can buy with the proceeds a much larger farm of exactly as good and productive soil, just as well located and improved? The Red Book will show you where you can do this.

If you are a Renter, selling your labor for fifty cents on the dollar, trying to support two families and get ahead in the world, don't you know its a hopeless job? The Red Book will tell you how we help men situated like you—men with little money, but lots of determination and ambition.

Minutes Mean Dollars

IN TREATING ANIMALS

Remember you know the danger of delayed treatment of cold and other diseases. You also realize that many applied remedies are often worse than no treatment at all. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.  
Minutes mean dollars.  
Of course proper treatment is always necessary. That is just how Humphrey's 500 page Veterinary Manual will prove so valuable to you. It is by F. J. Humphrey, M.D., V.S., and teaches how to diagnose and give proper treatment.  
This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphrey's Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. A. J. Humphrey, International Medicine Company, 126 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a few cents by writing for it now.

A WORD WITH WOMEN.

Valuable Advice for Herald-Democrat Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex". Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home—Read this Greencastle woman's convincing statement:

Mrs. Belle Hinkle, 609 Illinois St., Greencastle, Ind., says: "Several years ago I suffered from sharp twinges through my loins. I felt tired all the time and had spells of dizziness. Reading of Doan's Kidney Pills I began using them and they brought me instant relief. My back is now strong and I feel better in every way."

For sale by all dealers. Price 50 cents. Foster-McLure Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

NOTICE OF SHERIFF'S SALE OF REAL ESTATE

Whooping Cough.

"I have used Chamberlain's Cough Remedy ever since I have been keeping house and I consider it one of the best medicines I have ever used. My children have all used it and it works like a charm for colds and whooping cough. In fact, I consider it good for any kind of throat or lung trouble, and do not think any household complete without it," writes L. C. Haines, of Marbury, Ala. You will look a good while before you find a better preparation than Chamberlain's Cough Remedy for colds and whooping cough in children. It contains no narcotic and is pleasant to take. For sale by all dealers.

DRAY HORSE RUNS AWAY THIS MORNING.

A dray horse owned by Hark Jackson, and driven by John Coleman, slipped a halter off its head Friday morning while tied in the alley at the rear of the Hibbitt Harness shop and ran away. The horse ran to Jackson street and then south to the residence of Earl Lane, where it turned toward town again. It turned east on Ohio street and was stopped near the Vandalla station.

During its mad run several persons attempted to stop the animal, but to no avail. Luckily the horse did not run into anything and no damage was done.

There is Nothing Better.

Hunt the world over and you will not find a better remedy for diarrhoea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It always cures. For sale by all dealers.

The Mail Order Trust.

WASHINGTON, June 21.—So silently and insidiously that the great public is as yet almost unaware of its presence, a new trust is extending its tentacles over the country. It is the mail order trust. Already its strangling grip is tightening about the million small town and country merchants who are the backbone of national prosperity.

The mail order trust has capitalized women and child labor. It has capitalized vice. It has turned all these things into dollars—dollars which should have found their way into the tills of the country merchant, instead of flowing into the trust's Wall Street hoard.

One mail order house recently increased its capital stock from \$500,000 to \$40,000,000. A new \$10,000,000 merger of mail order houses has been formed. Wall Street financiers, including the Morgan banking firm, has had charge of both these financial operations. Still another mail order house, with 63 acres of floor space, made a net profit of \$17,000,000 last year.

It is evident that the greedy eyes of the great mail order financiers are turned upon the entire retail business of the United States outside of the great cities. It is also plain that a gigantic trust is rapidly forming. The small retail merchant is facing ruin. That the grip of the octopus is already being felt is shown by the population statistics. Nearly 7,000 small towns lost population in the census of 1910.

It is declared that something must be done by immediate legislation, or the parcel post will not be the complete blessing it ought to be. It is asserted the solution of the problem will be in the form of a heavy tax on mail order business. This tax would, it is contended, tend to stop the expansion of the mail business, and to reduce its present formidable size. The money thus collected would be spent for road building or other local improvements in the districts which contributed to the mail order houses.

The small retail merchant is the prop of distributed prosperity, and the growth of the mail order trust serves no common good. Here is a principle which works out: "If you spend your money where you get it, you will be able to get it where you spend it."

Through a systematic advertising campaign, the mail order capitalists have sought to poison the public mind against the small merchant. The people have been told that there are too many merchants, and that their retail methods are wasteful and costly. But I would point out the other side of the question.

The Chicago vice investigation showed that 50,000 women employees of mail order houses are existing on starvation wages, many of them being driven by poverty to lives of shame. The mail order houses are the great distributors of prison-made goods. They are the exploiters of misfortune, buying much of their goods at bankrupts' sales.

But who takes an interest in local affairs and has a hand in the up-building of communities? Whose goods are assessed for the taxes to pay for local improvements? Who when the crops have failed or the strike is on, and there is no cash to send away, extends the credit which enables the community to live? The local merchant and not the Wall Street owned mail order house.

We want cheapness, a lower cost of living; that is what we are all working for. But we do not want it at the expense of the women wage slaves of Chicago and of the million little merchants of this country.

Death of Venard V. McCamack.

The death of Venard V. McCamack, age 28, occurred Saturday afternoon at 2 o'clock at the home of his parents, Mr. and Mrs. V. B. The funeral was Monday morning at 11 o'clock.

GREENCASTLE GIRL IS MADE PRINCESS BY SAMOA NATIVES

WASHINGTON, June 22.—Commander and Mrs. William Crose and their daughters, Miss Janet and Miss Catherine Crose of Greencastle, Indiana, are the guests of Commander and Mrs. Thomas J. Senn. Commander Crose, U. S. N., has resigned his post as Governor of Samoa and will reside in the East.

Miss Janet Crose was created a princess by the Samoans, an honor rarely conferred on an American. Robert Louis Stevenson was made a chief by the natives.

ORGANIZED FIFTEEN HUNDRED WORKING GIRLS IN TWO YEARS.

After more than two years' work in Neenah, Wisconsin, which time has been devoted to the welfare of the fifteen hundred factory girls of that town, Miss Josephine Donohue, one of this town's most prominent literary and club women, will return to Greencastle this evening, with the assurance of the people of the Wisconsin town that her work has been well done. Miss Donohue will spend the summer at her home at the corner of Indiana and Larrabee streets, recuperating after her two years of arduous labors. She will be a guest at the home of Mayor and Mrs. J. R. Miller for several days before going to her own home.

Miss Donohue was invited to Neenah more than two years ago by the members of the Tuesday club, a literary organization of that town, to take charge of a campaign for the betterment of the factory girls. Neenah has more than 1,500 factory girls, the greater number of them being employed in the great paper mills of that town.

The members of the Tuesday club paid the salary of Miss Donohue and assisted her in every possible manner in her work.

The factory girls were organized into clubs and a Young Women's Christian Association formed. The clubs were in the nature of sewing clubs, cooking clubs and other clubs of similar character. Literary and amusement organizations also were formed. Although Miss Donohue was employed for only one year, her success was so apparent that the Neenah people secured her services for the second year and then kept her for several additional months. Now her work is complete and the people of Neenah believe that with the organization perfect they will be able to personally take care of the organizations by the Greencastle woman.

The following expression of appreciation taken from the Neenah (Wis.) News, shows the esteem in which Miss Donohue is held by the young women of that town:

Because of the resignation of Miss Josephine Donohue as director of the Young Women's Club, the young women of the club extend the following appreciation:

We are very sorry to hear of Miss Donohue's resignation and we wish we could find words to express our regret and appreciation of her work among us while here.

We always felt as if we had a friend close at hand while she was with us.

Miss Donohue will linger long in our memories and by some of us she will never be forgotten.

Wherever her work may be in the future she has the wishes of Young Women's club at Neenah.

AILING WOMEN OF MIDDLE AGE

Mrs. Hilbert Tells of Her Distressing Symptoms During Change of Life and How She Found Relief.

Fleetwood, Pa.—"During the Change of Life I was hardly able to be around at all. I always had a headache and I was so dizzy and nervous that I had no rest at night. The flashes of heat were so bad sometimes that I did not know what to do."

"One day a friend advised me to take Lydia E. Pinkham's Vegetable Compound and it made me a strong well woman. I am very thankful that I followed my friend's advice and I shall recommend it as long as I live. Before I took the Compound I was always sickly and now I have not had medicine from a doctor for years. You may publish my letter."—Mrs. EDWARD B. HILBERT, Fleetwood, Pa.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

Have Burglars at Cloverdale.

The Cloverdale Hardware store, managed by Jesse McCoy, was entered sometime Thursday night by a burglar and goods and money amounting to about \$10 taken. The man gained entrance to the store through a transom over a door at the side of the store.

The burglar took between \$4 and \$5 in cash from the cash drawer, several pearl handled knives and a revolver. Nothing else was taken as far as Mr. McCoy can find. It is believed that the burglar was a tramp, and that he got away from the town on a night train.

W. B. VESTAL GETS BLANK BOND AND OATH OF OFFICE.

W. B. Vestal, whose appointment as postmaster at Greencastle, was approved by the Senate June 17 on Monday received a blank bond and oath office to be immediately filled out and returned to Washington. Upon receipt of the bond and oath of office the postal authorities will send him his commission, and check him into office. This probably will be July 1. The bond required is \$5,500.
